## SALLY ANNE FITTER

30TH MARCH - 14TH APRIL

Sally Anne Fitter studied Ceramics at Bristol Art School gaining a 1st Class BA Hons. She then went on to study Textile Design and eventually set up a London based Design Studio with clients such as Monsoon, Liberty's and Laura Ashley. She made the logical transition from textile design to painting some years ago and now exhibits widely around the UK. Her work is held in private collections here and abroad.

*Sally says "I work mainly in acrylic on canvas, layering and working into the paint to create texture. I occasionally incorporate collage and gold leaf in my paintings and use a vivid and rich colour palette. My training as a textile designer is evident in the use of pattern and decoration".*
