## ROSIE LIPPETT

27TH APRIL - 12TH MAY 2019

The Directors of John Nott Galleries invite you and your friends to meet the artist at the opening of this exhibition on Saturday 27th April. Champagne will be served between 12 and 3pm.

Rosie studied at Stourbridge College of Art and at Cheltenham College of Art. She worked for some years at Royal Worcester Porcelain which, she says, gave her the love of detail and discipline to create fine art.

"Having lived in the countryside all my life, rural traditions and folklore run through my work. 'If it rains before seven it will stop by eleven' and 'red sky at night, shepherd's delight', were quotes as

reliable as today's weather forecast. Respecting nature reaps its own rewards..... a picture is worth a thousand words. Colour and form stir our imagination and encourage us to look closer. A day without creativity to me is a day wasted – I interpret my emotions and experiences through my work and I do hope you enjoy my paintings as much as I have enjoyed creating them."
