HALIMA WASHINGTON-DIXON

3RD – 18TH AUGUST

Halima Washington-Dixon, originally from California, holds a B.A in Visual arts and Art History from Occidental College in Los Angeles and an M.F.A in Painting & Drawing from the Academy of Art University in San Francisco.

Working mostly from her home studio in Suffolk, she occasionally works *en plein air* in the beautiful countryside near her home. She paints almost every day, is always creating and has been painting professionally since 2006.

Halima bases her paintings on her continued search for comfort, nostalgia and a sense of

place. Though she paints many subjects, in recent years she has been drawn to still life painting. She is inspired by garden flowers, decorative vases, patterned cloth, lovely fruit and capturing the essence or feeling of home.

Having exhibited with JNG here in Broadway for a number of years, we are delighted to exhibit this collection of Halima's wonderful paintings. For the first time, these include a number of her landscape paintings which, with thick impasto of oil paint, capture so well the English countryside.
